

[Financial Aid]

Applying for Financial Aid

Do you need financial aid to assist you as you pursue your academic goals?

By following the information listed below it's as easy as 1-2-3.

1. Complete the Mount Carmel College of Nursing Financial Aid Application.

Forms are available on our web site: www.mccn.edu or call to have one mailed to you. Complete and return the form to the financial aid office each year as early as possible.

2. Complete the Free Application For Federal Student Aid (FAFSA).

Go to our web site: www.mccn.edu and click on tuition and financial aid, financial aid, loans and grants and then the orange button link and click on FAFSA or go directly to www.pin.ed.gov to apply for a pin number. When you have your pin number you can then go back to the web site to complete the form. If you are required to include parent information on the FAFSA, your parent must also apply for a pin number. You will need to

list Mount Carmel College of Nursing's Title IV school code: 030719 for us to receive a copy of your results automatically. If you filed a FAFSA last year, you may do your renewal on the web. If you receive a request for verification from us, you must complete this as soon as possible in order for us to continue with your aid application.

3. Wait for a financial aid award letter from the financial aid office.

This letter will inform you of your aid eligibility.

If you wish to apply for the Stafford loan listed on your award, you will need to go to: www.mccn.edu, click on tuition and financial aid, financial aid, loans and grants, and then the orange button link and click on Stafford loan application. Complete the application on-line with all applicable information and submit. You may use your pin number as your electronic signature. We will then certify the loan. Additional loans, including the Parent PLUS and alternative loans, can be completed

on our website. You may need your department of education pin number to electronically sign for the loan(s).

For additional information you may visit our web site: www.mccn.edu or you can refer to our financial aid brochure.

Another helpful web site is: www.sfa.ed.gov. If you do not have computer access, you may contact the financial aid office for paper copies of required forms, but keep in mind the paper processing is much slower.
