MCCN Earns Recognition at Recent ONSA Convention

SNAM members who represented MCCN at the recent ONSA Convention: (front l-r) Jennifer Mickley, Bethany Ellis, and Kayla Munk; (back l-r) Mackenzie Gram, Stephanie Binkley, Maggie Huth, Nichole Eilerman, and LeeAnn Junk; (not pictured) Brittany Unthank and Shivani Patel.

Eleven MCCN students — Stephanie Binkley, Nichole Eilerman, Shivani Patel, Kathryn Simon, Brittany Unthank, Maggie Huth, LeeAnn Junk, Mackenzie Gram, Jennifer Mickley, Bethany Ellis, and Kayla Munk — attended the Ohio Nursing Students’ Association (ONSA) Convention held recently at Case Western Reserve University in Cleveland.

MCCN participated in several aspects of the event. Two SNAM members ran for ONSA board positions: Kayla Munk for President and Stephanie Binkley for Membership Director. Three MCCN students served as volunteer tellers during the house of delegates: Mackenzie Gram, Jennifer Mickley, and Bethany Ellis.

MCCN placed fourth out of ten teams for the 2010 ONSA Brain Bowl. Mount Carmel College of Nursing was recognized as sponsoring the 2010 Convention Program booklet.

The 2010 Newsletter Award to The Carmel Rapper

For the second year in a row, ONSA recognized The Carmel Rapper with the newsletter award. The editorial and production team of managing editor, Robin Hutchinson Bell (Director, College Relations); designer, Carol Stokes; photographer, Chris Steel; and editor, Elaine Kehoe, extend thanks to SNAM for submitting the nomination!
SNAM President Kayla Munk Elected as 2010-2011 ONSA President

Kayla Munk
SNAM President
ONSA President

Munk served on the 2009-2010 ONSA board as Membership Director. As President, she will preside at all meetings of the Ohio Nursing Students’ Association (ONSA), the Board of Directors, and the Executive committee. Another aspect of her responsibility is staying in contact with the deans and directors of Ohio nursing programs to maintain open communication. Munk will represent ONSA in matters relating to the association.

Munk’s responsibilities began immediately. This past weekend, she attended the National Student Nurses’ Association (NSNA) Midyear Conference in Cincinnati, Ohio, meeting with State Presidents from all over the nation in the Council of State Presidents.

“I hope to gain plenty of insight and ideas to bring back to the organization. In addition I will be able to enjoy the many career planning activities and breakout sessions that the NSNA has to offer this year. As a board it is our goal to increase communication with the students in Ohio, and to most importantly increase the involvement in the ONSA,” said Munk.

ONSA has begun the planning for the 2011 Annual Convention next October. Following this year’s success in holding the convention at Case Western Reserve University in Cleveland, Ohio, ONSA is looking into holding the convention again at a university. Letters were sent out to schools requesting proposals for hosting the convention. The venue selection will be made the first week in December.

“We also will be hosting our 2011 ONSA Leadership Conference coming up in March at the Ohio Nurses’ Association headquarters here in Columbus. Part of my responsibility is working closely with the Ohio Nurses’ Association (ONA) Board of Directors as they offer a lot of support for our organization. I will periodically attend their meetings and may attend their Annual Convention this year,” Munk said.

An important event for ONSA is Nurses’ Day at the Statehouse, to be held on March 23, 2011. The ONSA will present a topic of discussion and participate in the event. Another activity for ONSA is the Breakthrough to Nursing (BTN) project, lead by newly elected BTN Director, Brandon Pach from Case Western Reserve University. The project involves reaching out to high school students to introduce them to the career of nursing.

In addition to this project, ONSA will invite high school students to participate in next year’s ONSA Annual Convention to give them an idea of the importance of being involved in a pre-professional organization throughout their education.

“With already a great head start into this year, I am looking forward to representing Mount Carmel College of Nursing and Ohio’s nursing students!” Our congratulations to Kayla on this honor of representing MCCN statewide and nationwide and best wishes for a successful year!

Learn more about ONSA at www.choose nursingoh.com and also on the ONSA Facebook page, featuring updates on the organization and upcoming events.

Are You Taking a Winter Quarter Affiliated Course?

All students must submit their Columbus State Community College or Ohio State University course schedules to MCCN Records and Registration (Marian Hall, Room 2C01) every quarter in which they take classes.

Student must also notify MCCN Records and Registration when they drop or withdraw from an affiliated course. We have found that this notification frequently is not happening. Remember...you need to keep MCCN updated on your affiliated status!

Financial aid awards are based on total registered credit hours. Delinquent students may find themselves at less than full-time hours for financial aid calculation.

Fall Festival 2010

11 a.m. – 2 p.m.
Monday, November 15
in the Gym

Old time photo booth, tee shirt decorating, burrito bar, more; all free!
Sponsored by SGA

Calling All Canned Foods!

Please drop off non-perishable food items in the collection boxes at the main entrances of Marian Hall and the CLE, or at the dorms, for the Mount Carmel Thanksgiving Drive from Monday, November 15, through Monday, November 22.

Stephanie Binkley displays the ONSA newsletter award presented to MCCN for The Carmel Rapper.
An additional CARMELink feature is now available for students to register for Spring Semester 2011 classes online!

+ Instructions on "How to Register Online" were sent via students' mccn.edu email accounts and posted to CARMELink the week of November 1. This document is also available at the Marian Hall front desk and in the Records and Registration office (Marian Hall, Room 201).

+ The Spring Semester 2011 course schedule is posted on CARMELink. No hard copies of the schedule will be distributed as in the past.

+ Registration windows will open for groups of students at 12:01 a.m. on the dates indicated below:
  
  Nov. 8:  4th and 3rd term Seniors and Honors Program students  
  Nov. 9:  Master's and Graduate Certificate students  
  Nov. 10: RN-BSN and Fairfield Program students  
  Nov. 11: 2nd and 1st term Seniors  
  Nov. 15:  Juniors  
  Nov. 18:  Sophomores  
  Nov. 22:  Freshmen

If you are not currently a CARMELink user:

If you have not used CARMELink in the past, NOW is the time to become familiar with this student portal. If you are a first-time user, please review the message on the "Welcome" tab for navigation tips. Once logged in, click on the "Student" tab to access your individual information in a secure environment.

+ Your Username and temporary Password were sent to your mccn.edu email account (no other email is valid for MCCN student business).

+ If you have not yet logged into CARMELink, please check for your previous email message.

+ For security purposes, you are strongly encouraged to change your password immediately after the first login.

+ To change your password, click on "Personal Information" in the top burgundy bar next to your name.

+ Click on the password tab and enter your current and new passwords (passwords must be between 8 and 12 alpha and/or numeric characters).

+ Click "Save" to change your password.

+ If you have questions, contact Tim Tabol (ttabol@mccn.edu or 614-234-2682) or Karen Greene (kgreene@mccn.edu or 614-234-5685).

Some additional features of CARMELink:

+ Student class schedule for the current and upcoming semesters
+ Final grade reports (MCCN does not mail final grades to students)
+ Business Office information and student account balance
+ Financial Aid information and awards
+ A link to the MBS Online Bookstore website
+ Information about the student apartment residence
+ A handy GPA calculation tool (based on projected grades)
+ Information about CPR and background checks
+ Information about student uniforms and supplies
+ Information on co-curricular activities and Student Government
+ Helpful links to other websites

+ And now ... online registration!
**Eyewitness to History**  
**WWII Nurse and Liberator Dorothy Beavers Pecora ’41**

In commemoration of Veterans’ Day 2010, The Carmel Rapper honors our Mount Carmel faculty, student, and alumni veterans with the a story of extraordinary service by one of our alums who served as a nurse at the front and a liberator of concentration camps during World War II.

She still exchanges letters with two of them — two women imprisoned in the Nazi concentration camp in Penig, Germany, that Dorothy Beavers Pecora ’41 helped to liberate in April 1945.

“They are strong, good women and they just kept going,” says Dorothy of her two friends, who now live in New York and Budapest. “We made a life-long connection. The survivor in New York lives close enough that I have been to her home twice; we write monthly; she calls me her sister.”

The survivor in Budapest suffered some permanent damage from her ordeal and lives in a nursing home. “The ankles of these beautiful girls in the camp rocking back and forth with pain were a bleeding, swollen, painful mess.”

The assignment started out simply. As Chief Nurse of the field hospital, Dorothy was setting up a hospital in a German school when an officer asked for two nurses to accompany him because some women needed care.

“When I first walked through the door of the camp, I couldn’t breathe; I couldn’t move. I was not prepared for what I saw,” Dorothy recalls. In her early twenties, Captain Dorothy Pecora was among the first Americans to help liberate survivors of Nazi concentration camps.

They took the women from the camp to a small airbase hospital. “Their hair was gone. We bathed them and the line of lice around the tub was sickening.”

The liberated prisoners were from wealthy families in Budapest and spoke English and French, as well as German. The women also revealed the source of their ankle injuries. Their shoes were taken away, and they were forced to wear crudely carved pieces of wood held on with a stiff piece of leather. The women had to walk nearly two miles every day to work on an assembly line, sitting on high stools with their legs dangling for 12 hours.

continued on page 7...
Withdrawal Policy Reminder

Please be aware of the MCCN course withdrawal Policy (2010-2011 Student Handbook, p. 49). For the purposes of this policy, there are two types of courses: non-nursing courses and nursing courses. Nursing courses include all courses with a prefix of NURS (with the exception of nursing seminars). Non-nursing courses include all other courses taken in the academic program (including nursing seminars).

After the course start date, a student must first notify the course instructor and obtain his/her signature prior to submitting an Add/Drop Form to the Office of Records and Registration. Submission of the form to Records and Registration is required for official withdrawal from a course. Non-attendance in a course after the withdrawal deadline is considered being absent from the course. Failure to submit a faculty-signed Add/Drop Form will result in a grade being assigned at the conclusion of the course. All course withdrawals are subject to the "Refund Policy" section of the Student Handbook.

The “end of week” shall be understood as the Friday, or in the case of a holiday or other College closure, the last business day of the week in question.

- A student may withdraw from any course by the end of week 1 and the course will not appear on the transcript.
- A student may withdraw, without academic penalty, from a 16-week semester course by the end of week 12 of the course. A grade of “W” will be posted to the student’s academic transcript.
- A student may withdraw, without academic penalty, from an 8-week term course by the end of week 6 of the course. A grade of “W” will be posted to the student’s academic transcript.
- A student may not withdraw from any course after week 12 of a 16-week semester course or week 6 of an 8-week term course.
- Summer courses operating on a modified schedule will follow deadlines equivalent to the proportional requirements stated above.
- A student may withdraw from only one nursing course during the program of study.
- A student may withdraw from a total of two different non-nursing courses during the program of study.
- A student who is retaking a course from which he/she has previously withdrawn may not withdraw from that course a second time; a course grade will be assigned at the conclusion of the retake.
- Withdrawing from a course does not force the student to also withdraw from a co-requisite course.

MCCN Faculty and Staff Campaign

EXCELLENCE begins with you! You demonstrate your commitment to Mount Carmel College of Nursing in many ways — every day! The Faculty and Staff Annual Campaign is another opportunity for our College family to show their commitment to our students, alumni, parents and friends and send a strong message to other sources of private support that MCCN is an investment in the health of central Ohio, our communities, and beyond.

Strengthening our internal culture of philanthropy is vital to ensure the quality and prestige associated with a Mount Carmel College of Nursing education and our workplace. Remember... it is your participation, rather than the amount of your donation, that counts. YOU CAN MAKE A DIFFERENCE. Any questions, contact Jan Burkey at 234-3837.

Everyone Invited!

SGA Meeting

Today, November 8, at noon • Wilson Room

The meeting is open to everyone and all are encouraged to attend.

Chaplain’s CORNER

OK, so everyone knows I’m a Facebook addict — worse than some — not as bad as others. One thing I like to do on Facebook is to take those (insert your own adjective here) quizzes. What city do you belong in? What musical instrument are you? You know what I’m talking about. I saw one the other day that asked “What winged creature are you?” I didn’t take that test because I know the answer: I’m an OSTRICH. How do I know that?

I was at a meeting of the College’s Mission and Ministry Committee last Monday morning. The topic that consumed most of the allotted time was “the experience of disrespect, discourteousness, rudeness, even bullying on our campus, in our classrooms, in our living places.”

After listening to the conversation for over an hour, I became convinced that I was an OSTRICH — with my head buried in the sand. There was one other OSTRICH at that meeting — but only two of us out of a group of eight. We were either totally oblivious to our surroundings or we were OSTRICHES.

So I took my perplexity to my second favorite online location: GOOGLE. I entered the word “bullying” and O-M-G. Pages and pages of heart-rending stories of people being pushed around (physically, verbally and cyberly) — abused — taunted — ridiculed — belittled — defamed — assaulted (physically, verbally, and cyberly) for no other reason than being who they are.

Then I recalled recent news stories about the self-inflicted deaths of so many people who felt totally hopeless in the face of taunting and bullying. How unbelievably sad! Sadder still to know — now that I have taken my head out of the sand — that there are people among us at Mount Carmel College of Nursing who treat their fellow human beings in such a contemptible way.

As I see it, there are three groups of people in this bullying equation: (1) the bullies; (2) the bullied; (3) everyone else. The people with the power here are in that third category. “Everyone else” has the power to protect the bullied and to disarm the bullies. My friends, the enemy here is silence.

Enough said!
"A Block O Life"
Featuring Ellen Tressel

As part of the Mount Carmel College of Nursing Speaker Series, Ellen Tressel recently shared insights into her spirited and dynamic life as a community leader, the wife of OSU football coach, Jim Tressel, and as a Mount Carmel College of Nursing Board of Trustees member.

Student Activities!

You are invited to attend the College’s women’s basketball team games. The team name is MCCN and they began playing in the Columbus Rec Women’s Competitive League on October 13 at the McDonald Rec Center.

**Game Schedule**
- **11-10** 7:15 p.m.
- **11-17** 6:15 p.m.
- **12-1** 9:15 p.m.

Mount Carmel College of Nursing has two volleyball teams in the Columbus Rec Competitive league this year: The Nightingales (Blue) and The MCCN (Orange). They began play on October 18 at Berliner Park Rec Center. Come out and cheer on our volleyball teams!

Four student (Center of Science and Industry) COSI Columbus memberships and two family COSI memberships are purchased annually for MCCN students. Individual students and students with families (up to 4 children and significant other) can be admitted to COSI for free!

COSI memberships may be signed out on a daily basis. Memberships must be returned the next business day to ensure availability for other students. Memberships signed out on Fridays are to be returned the following Monday. Enjoy!

MCCN students are cordially invited to attend activities and events at Ohio Dominican University’s Bishop A Griffin Student Center. For up-to-date listings of activities visit www.ohiodominican.edu, type in Griffin Student Center and calendar of events.

SNAM News

Five SNAM members volunteered at the Gladden Community House Halloween Party (front, l-r): Jill Zimmer, Maggie Williams, Kayla Munk, Nichole Eierman, and Stephanie Binkley; (back) SNAM Advisor, Dawn Hughes.
Halloween Fun!

Several prizes were awarded at the College Halloween party:

1. Scariest Costume
   Brooke McComb

2. Most Original Costume
   Julia White

3. Funniest Costume
   Devon Baldwin

4. Best Costume
   Kayla Munk

5. Best Group Costume
   Renee Dicke, Mackenah Martin, Kayla Rupp, Katie Dunlap

Winners of the Resident Hall Floor Decorating Contest
2nd floor Holy Cross Hall
Rachel McMillan and Rebecca Schaeffer

Eyewitness to History...
cont’d from page 5

In May 1945, Dorothy liberated survivors at a second concentration camp, located in a beautiful area of the Alps — Ebensee, Austria. Ebensee provided slave labor for the construction of huge underground tunnels to house and produce munitions. When the liberators arrived, the men at Ebensee were practically dead.

“We could do very little for those patients and most of them did not make it. We were there about six weeks and we could only work half days — it just got to us,” says Dorothy.

“Things like that you don’t forget.”

Bronze Star

During WWII, Dorothy was one of the first women in the military to be awarded the Bronze Star. She served under General George Patton as one of the chief nurses during the Third Army’s march across France and into Germany.

“A field hospital was a tent in the middle of field stubble, so this was nursing under very adverse and primitive conditions. The only injuries treated were amputations and chest and abdominal wounds. The dust blew in; there was no heat in the operating room; and we washed linens outside in all kinds of weather.”

At five foot one inch and 105 pounds, Dorothy’s presence and performance in the midst of combat amazed people. Dorothy credits her Mount Carmel education with giving her the knowledge and skills to practice nursing in those harsh, dangerous, and demanding conditions. “I had a good foundation, had learned how to give excellent nursing care. I knew what sterilization was and how long the effect lasted.”

Back in Ohio, Dorothy’s parents went to the movies and were astonished to see their daughter in the wartime newsreel. “My mother stood up in theater and exclaimed, ‘There’s Dorothy!’” The newsreels can be seen today on the internet.

“Those three years in the military were so good to me. I was very fortunate to work with the most wonderful people — people who were willing to work together and help each other,” recalls Dorothy.

Notes from Alyncia

Registration and Holds
CARMELink is updated regularly to display your financial status. In order to determine if your financial aid has been processed, first check the document screen in financial aid. If we have received all your documentation, it will note the document and the date we received it. The status portion will say “received.” If it says “not received,” then you will need to take care of this ASAP.

StudentLoans.gov
This is the official site that you need to visit to complete your master promissory note and entrance counseling. After you log in, you will need to scroll on the screen to complete the master promissory note. You may have to log back on to complete the entrance counseling. Both documents must be completed to receive financial aid. The financial aid office will receive an electronic notification of your completed documents.

Exit Counseling
Whenever a student has received financial aid, it is a federal requirement that they complete exit counseling for financial aid. This is a two-step process. Step 1: you complete the information on the StudentLoans.gov website. Step 2: you complete the Exit Counseling form provided by the financial aid office.

How Much Money do I owe the Government?
If you are wondering how much money you owe in federal student loans, go to NSLDS.ed.gov and input the requested information. You will see how much you have in outstanding federal student loans.

Asking questions and getting the right answer
This edition’s statement/question:
Registration is coming up. Am I on hold?
This is a good question.
CARMELink provides real time information about your financial aid and your account. If you have a hold on your account, it will show up in CARMELink. Likewise, if you have not completed the financial aid process, made payment arrangements with the business office, or reduced your balance to below $1,000, your account will be placed on hold.
Look forward to more ways to get the right answer to your question.

Alyncia Bowen, PhD, MSA
Director of Financial Aid
abowen@mchs.com

What To Do When the Sirens Go Off

Tornado Warning Policy Reminder
If a Tornado Watch is Announced:
✦ Monitor weather.
✦ Close windows, curtains, and blinds in occupied areas.
✦ Test flashlights and distribute to staff if possible.
✦ Be prepared to activate Tornado Plan (found in Emergency Response Manual).

If a Tornado Warning is Announced:
✦ Move faculty, staff, students and visitors away from windows and into the College basement or interior hallways. Apartment residents should move to interior hallways.
✦ Close all doors.
✦ Refer to Tornado Plan (found in Emergency Response Manual).
✦ When area is secured, dial the Hospital Command Center (234-5833) to report your status.
By Andrew Arra, Dietetic Intern

Ah, the crisp air of fall is finally upon us. Breathe it in and you will experience the leaves changing, cool evenings, and the harvest our country has to offer all around you. This, my friends, is the time of year when I welcome and fall victim to the enthrancing power of pumpkin. The taste, smell, and texture never fail to bring me back home, back to a time when I was younger (and what I would dress up as for All Hallows Eve was the only worry on my mind).

Now, if you think that pumpkin is just a holiday gourd for carving, then you don’t know jack-o-lantern! This power-packed squash is not only nutritious, but it is surprisingly delicious! Whether you have it fresh or canned from your local grocery, pumpkin itself is loaded with potassium, fiber, and Vitamin-A.

Don’t worry; there are more ways than pie to reap the benefits of this fantastic flower. Everyone knows the old-time favorite of saving your leftover seeds and roasting them in the oven for a quick and healthy snack on the go.

A more uncommon approach is adding a cup or two of pumpkin to your everyday pancake mix for a healthier breakfast alternative. To do this, cut up and boil that extra pumpkin you picked up from the pumpkin patch. Once softened, peel off the skin and mash the “meat of the pumpkin” yourself for your own homemade puree! My personal favorite is the pumpkin smoothie! Made with soymilk and other common ingredients, this is a superb low-calorie choice to replace a meal or satisfy that sweet tooth craving.

Whether it’s turned into a drink on-the-go or a sweet dessert to close out a wonderful family gathering, pumpkin is something that should definitely be a part of your diet this holiday season...I know it will be a part of mine!

Spiced Pumpkin Smoothie
¾ c. Pumpkin Puree*
2 c. Soymilk
3 T. Pure Maple Syrup
1 tsp. vanilla extract
¼ tsp. allspice
¼ tsp nutmeg
½ tsp. cinnamon
Ice
*canned, with no added salt

Nutrition content: 397 calories, 8.5g fat (2g saturated), 250 mg Sodium, 65g Total Carbohydrate (5.5g fiber, 52g sugar), 29g Protein. 400% Vit. A, 66% Calcium, 25% Iron, 25% Vit. K, 8% Vit. C.

*Dietitian’s Tip: Cut 60 calories and 4 grams of fat (2g being saturated) from this recipe by choosing Light Soymilk! Also, 39g of carbohydrate (along with 156 calories) come from the maple syrup alone! For people watching their CHO intake, try choosing sugar free maple syrup instead. These two tips combined will help all of us fight off “getting stuffed” during the upcoming holiday seasons!

Showtimes
Friday, December 10, through Sunday, December 26. See balletmet.org/nutcracker for times.

Cost
Students 18 years old can buy tickets for $5 at Kroger Stores.
College students can buy tickets for $15 with college ID at the theatre.
CHRISTMAS PROJECTS — Watch for information about our two important Christmas Projects.

AVONDALE CHRISTMAS PROJECT
The College family provides a Christmas gift to each student at Avondale Elementary School. Coordinators: Nicole Cistone and Greg Breeze

OPERATION CHRISTMAS CHILD
The College family fills shoeboxes with gifts for needy children overseas. Coordinator: Amanda Mitchell

Who: Faculty, staff, students, family members, organizations, religious groups...anyone interested!

What: Operation Christmas Child is an annual program supported by Samaritan's Purse to provide needy children around the world with a shoebox full of necessities and toys.

Where: Brochures are located at the front desk, and on bulletin boards around the school. Drop off location is near the stage in the gym. Look for the bright green sign!

When: Boxes are being accepted now. The deadline for all boxes is NOVEMBER 19th!

Why: "When they open their shoe box gifts, the harsh world around them fades and their hearts fill with wonder and joy as they see the treasures within. Yet the impact of Operation Christmas Child goes far beyond smiles and laughter. These simple gifts become Gospel opportunities, opening hurting hearts to experience the transforming power of Jesus Christ." (From Samaritan’s Purse)

How: Pick up a brochure and follow the instructions, just five simple steps listed in brochure (boxes are $7 for shipping and handling fee).

Additional questions, Amanda Mitchell (amitchell@mccn.edu.) Information available on posters around the College as well.

Bethlehem on Broad Street

This project has been part of the Christmas Season in Columbus for many years. Mount Carmel students are invited to participate with the Downtowners Campus Ministry. Please note that Mount Carmel students cannot use this as part of their community service requirement, since there is a monetary stipend given at the end of the project. Read the directions carefully for dates, places and details.

— College Chaplain Pete McClernon

Mount Carmel Students: You are invited to take part in celebrating the true meaning of Christmas. Be with homeless, residential and working poor families. Join volunteers from churches around the city and the Downtowners Campus Ministry at Broad Street Methodist Church, 501 East Broad Street, located at Washington and Broad Streets — five minutes east of Mount Carmel. Spend time with parents and children listening to their stories, singing Christmas Carols, taking pictures with Santa, distributing food boxes.

The planning meeting is Saturday morning, November 20, 10 – 11:30 a.m. The event takes place on Saturday, December 18, 9 a.m. – 3:30 p.m. Both the meeting and the event take place at Broad Street Methodist Church.

The reward is the gift of giving to others and receiving a generous stipend to help with your books and supplies, provided by grants to the Downtowners Campus Ministry, a ministry that serves students of all faiths.

For more information, visit www.downtownersministry.org or contact Dr. Ellen O’Shaughnessy, Campus Minister, at 614-224-1155 or eoshp@mac.com.

Eyewitness to History... cont’d from page 7

Alumna Dorothy Pecora is interviewed by the press during the Liberators Lunch held in honor of the men and women who liberated the concentration camps in World War II.
Credit: Max Reid for the United States Holocaust Memorial Museum

Liberators Honored at U. S. Capitol

Sixty-five years after American troops liberated the concentration camp survivors, Dorothy was among approximately 125 veterans/liberators and concentration camp survivors honored at the Holocaust Day of Remembrance Ceremony in the U.S. Capitol Building in Washington on April 15, 2010.

This most recent honor followed several others throughout the post-war years of Dorothy’s life. She witnessed the dedication of the Women’s War Memorial. She and a fellow army nurse were honored to be the first women to lay a wreath at the Tomb of the Unknowns at Arlington Cemetery.

Dorothy was among those featured in the “Angels on the Battlefield” episode of the Fox News Channel series, “War Stories with Oliver North.” Colonel North hailed Dorothy’s accomplishments, noting that her strength and courage belied her petite stature.

Dorothy was acknowledged as a significant contributor to the Pennsylvania Veteran’s Museum’s educational documentary, “Women in the Military: Willing … Able … Essential.” The film unveils the contributions of women in supporting the nation’s armed forces, through re-enactments, archival footage, and interviews with military women and historians. The premiere was held at the Women’s Memorial in Arlington Cemetery in 2009. A preview can be viewed at www.paveteransmuseum.org.

But none of this — neither honors nor recognition — were on Dorothy’s mind when she enlisted. “I wanted to help, to serve, to go wherever I was needed. My brothers were already serving, so my parents agreed. Little did any of us know what experiences awaited me.”

Dorothy’s military nursing experiences are etched in her memory. She particularly remembers a patient at the field hospital, a strong young soldier who had suddenly and tragically become a quadruple amputee. Dorothy couldn’t believe how he just kept smiling. “I’m going home to my wife and two little girls,” the soldier said.

Dorothy is lost in thought and remembrance for a moment. “Now … that’s nursing,” she says quietly.
By signing up for the MCCN Communications Alert System you can be alerted and informed in times of crisis, disaster and weather situations. Faculty, students and staff may self-register for the new system by using an on-site MCCN computer.

+ Via *Insight*, enter internet address http://mccnalert.mchs.com and simply follow the prompts.
+ Be sure to do the self-test that is part of the self-register process to confirm that the registration has taken place.
+ The alert system messages are TEXT ONLY and can be sent to cell phones, pagers, personal computers or other electronic message devices. There are no limits to the number of devices that can be listed.
+ You must register in order to be contacted and check the box to agree to assume any charges for alert system messages. Once registered you must update any changes to listed devices, such as new phone numbers.

If you have questions about the new system or need help signing up, please contact one of the following individuals who will help you with the process:

Robin Hutchinson Bell (Marian Hall 313) rhutchinson-bell@mchs.com or 234-1372
Brenda Binkley (Marian Hall 310) bbinkley@mchs.com or 234-5726

the carmel rapper is provided bi-weekly by Mount Carmel College of Nursing with the assistance of Mount Carmel's Creative Services and Printing Departments.
