ATI Comprehensive Review for NCLEX Preparation

Students graduating from the traditional pre-licensure nursing program are required to attend an ATI Comprehensive Review for NCLEX Preparation. Students on track to graduate from the traditional pre-licensure program are assessed a $300 senior year fee that enrolls them in the ATI Comprehensive NCLEX Review arranged by the College.

The onsite review is offered in May the week following graduation for May and July graduates. The onsite format consists of a three-day comprehensive in-class review. October, December and March graduates are offered an onsite review session if there are a minimum of 25 students in attendance. If there are fewer than 25 students, graduates will enroll in the comprehensive review in a self-paced online format with an individually assigned ATI course instructor. Second Degree Accelerated students will receive information from the Program Coordinator about the ATI review session.

First Impressions: Class of 2016

“People say first impressions are the most important. My first impression of the incoming freshman class is very positive. As a group they are respectful, welcoming and eager to begin college,” says Director of Student Life Colleen Cipriani. “Individual students I’ve met are fun, friendly and excited about becoming involved in campus activities.”

Cipriani added that the freshmen enthusiastically participated in orientation and especially liked Cea Cohen Elliott’s workshop on mutual respect. “I was struck by how articulate and compassionate they were about the topic of Mutual Respect. They also enjoyed the exhibits and tips on student life at MCCN.”

Students’ Impressions

Transfer freshman Nathan Bucci is from Hilliard, Ohio, and wants to help people. When he had shoulder surgery, he witnessed how much nurses do and that solidified his choice of the nursing profession. Although it is still too soon to choose a specific area, ER, trauma, and anesthesiology look interesting to Bucci.

Freshman Emily Budd comes to the College from Lancaster, Ohio. Her mom is a nurse. Budd researched several healthcare careers, but preferred nursing because of the multiple opportunities in different fields. She really likes MCCN’s size and small classes.

Our Largest Enrollment EVER

On August 13, a record number of MCCN students began the first day of the 2012-13 academic year. We welcome each and every one of you and wish you all the best in your nursing education at Mount Carmel College of Nursing!

109th Anniversary of Mount Carmel Nursing Education

On September 15, 1903, the Sisters of the Holy Cross opened the doors of the Mount Carmel Training School for Nurses to 13 female students: five lay women and eight Sisters.

It was the first school of nursing in the United States to be nationally accredited, transitioning to Mount Carmel College of Nursing in 1990 with the offering of a bachelor’s degree in nursing. This significant accomplishment was spearheaded by our President/Dean, Ann Schiele, PhD, RN.

“Since our founding, more than 6,000 men and women have passed through these doors, graduates of a program rooted in academic excellence, compassion, and unparalleled care for others,” said Dr. Schiele.
Annual Convocation Celebrates the New Academic Year

With students and faculty in attendance, the 2012-13 academic year was launched on August 20. The keynote address was delivered by Mount Carmel alumna (class of 1967), Jeri Milstead, PhD, RN, NEA-BC, FAAN, Consultant on Public Policy, Leadership and Education, Professor and Dean Emerita, University of Toledo.

New Additions Make Residence Halls Even More Fun and Convenient

Onsite exercise room and big-screen TV area!
The 94 students living in the on campus apartments halls enjoy the convenience of minutes-to-class and library commutes, apartment-style living that includes fully equipped kitchens and laundry areas in each unit, and modern, nearly new residences.

New this year and especially exciting for the residents are their own exercise room and yoga/meditation room, which they can access 24/7. Also new this year is a Community Apartment with a big-screen TV where residents gather to watch movies, TV shows, and OSU games.

“We do have vacancies, so there is still time to move in before the snow flies!” said Director of Student Life, Colleen Cipriani, who now has an office in the residence.

The RAs already hosted a backyard cook-out. “Due to a grill malfunction they cooked the hamburgers on the kitchen stove of the Community Apartment and unfortunately set off the smoke alarms,” said Cipriani. “The fire department cleared out the smoke and commended the RAs for how organized they were in smoothly getting all residents out of the apartments.”

“We do have vacancies, so there is still time to move in before the snow flies!” said Director of Student Life, Colleen Cipriani, who now has an office in the residence.

Application for Graduation

Graduation applications will soon be distributed and must be on file in order to begin the graduation process. If you expect to complete degree requirements during the 2012-2013 academic year, please watch for the announcement and submit your application by the posted deadline. The graduation fee will be charged to your student account in the semester you graduate.

Students who wish to verify completion of degree requirements may schedule an appointment to update their degree audits.

Pre-licensure students: contact Karen Greene at 614-234-5685.
RN-BSN students: contact Tara Spalla at 614-234-5950.
Master’s Program students: contact Kathy Walters at 614-234-5408.
Community Service

Social Responsibility is one of the “Core Values” contained in the mission of Mount Carmel College of Nursing. In accordance with the College’s Mission and Catholic Identity, the Community Service requirement for nursing students includes the application of one’s skills and time to meet identified community needs of vulnerable and at-risk populations (e.g., children, elderly, homeless, poor and underserved, and organizations that support these populations).

This activity leads to learning and development through active participation in thoughtfully organized service that:

➤ is conducted in and meets the needs of the community
➤ involves reflection and analysis of the experience
➤ promotes the development of leadership skills, citizen skills, and social responsibility

Pre-licensure students are required to complete 20 clock hours of community service prior to the beginning of the last semester of enrollment (RNs enrolled in the BSN Completion Program and SDAP students must satisfactorily complete 10 clock hours).

Pre-licensure students who do not meet the deadline will be required to complete an additional 10 clock hours (for a total of 30 hours) in order to meet the graduation requirement. RN-BSN and SDAP students who do not meet the deadline will be required to complete an additional 5 clock hours (for a total of 15 hours) in order to meet the graduation requirement.

Any student who does not meet the requirement by the policy deadline may participate in Commencement activities but will not receive a diploma or be eligible for NCLEX-RN testing until this requirement is met.

Additional details regarding the Community Service Learning Program can be found in the Student Handbook.

MCCN Volunteers at 2012 FamJam

Fifty students and nine faculty and staff volunteered for Franklin County Children’s Services FamJam at Columbus Commons. A coordinated effort between Children’s Services and the City of Columbus, FamJam provides a totally free, fun, and educational day for the city’s most vulnerable, at-risk children and families.

The College provided lunch and the student volunteers earned four or eight hours toward their community service requirement. MCCN volunteers provided help with set-up and clean-up, and checking blood pressures, doing depression screenings, distributing apples, handing out flip-flops, serving food, face painting, supervising games, and providing a host of educational information and opportunities on health and safety. Colleen Cipriani, Director of Student Life, coordinated the MCCN volunteer effort.

Director of the Mount Carmel Health Sciences Library, Stevo Roksandic, and his staff distributed a multitude of free health information. Deb Huff was surrounded by children all day long as she handed out bubbles and distributed information on stress and depression. Kim Greene and her student helpers performed over 80 blood pressure screenings. Denise Ferrell provided information on the breathing association. We hope to make this an annual volunteer service event for MCCN students, faculty and staff.

Messages from Franklin County Children Services for the FamJam volunteers:

We wanted to express our sincere appreciation for your time, energy, and effort in making the 3rd Annual FamJam a huge success. Your presence and energy made a major difference. It is estimated that there were 6,700 people in attendance. We have a tremendous team. Thank you, thank you, and thank you.

This year’s event was, without question, the most successful it has ever been and your energetic, enthusiastic volunteers played a huge role in making that happen. They cheerfully stepped in wherever we needed the most help and we can’t thank you enough for everything you did to make FamJam hugely successful.

It was such a pleasure meeting your nursing students and working alongside them: they are an impressive bunch with a positive spirit and a tremendous work ethic. They clearly have very bright futures ahead of them!

We would absolutely love to have you all back next year if you’re interested and able.

Thanks again for everything!
New Coordinator of MCCN-FMC: Deidre Smith

The new Program Coordinator of the MCCN-FMC Satellite Campus, **Deidre Smith MSN, RN**, is a 30-year member of the nursing profession.

“I realized my love for teaching 15 years ago when I switched from nursing management to staff development where I worked in long-term care,” says Smith. “Teaching gave me such satisfaction, believing I was facilitating change in a student’s life.”

With a goal of instructing in a college of nursing, Smith earned her Master of Science in Nursing. Her job search for the right college brought her to MCCN in 2007, where she began teaching the mental health nursing, community nursing, gerontology, and fundamentals nursing courses. “Teaching at every level (except freshman) of the program helped me learn how the entire program is designed and builds from one level to the next.”

Smith’s first experience at MCCN-FMC was teaching the mental health nursing course. “From the first weeks here I experienced the familiar feeling of the community hospital,” recalls Smith. “The atmosphere here is completely conducive to the teaching/learning process. We have spacious classrooms and a comfortable student lounge, all very new and the level of cleanliness in our areas is top notch!”

Smith believes that MCCN-FMC is truly an extension of the main campus, with the program aligned with the core values of MCCN. Among her goals for MCCN-FMC are strengthening relationships with Fairfield Medical Center, Ohio University-Lancaster, and the Lancaster city and Fairfield County communities.

“Continuing to cultivate a culture of respect and caring between myself, the students and faculty is also a very important goal,” Smith says. “I am truly honored and excited to begin this new venture as the Program Coordinator of MCCN-FMC!”

Annual Golf Invitational Generates Support for Mount Carmel College of Nursing

**By Lauren Bruce, Communications Intern**

It was another outstanding year for the Mount Carmel Foundation Golf Invitational benefitting Mount Carmel College of Nursing (MCCN). Over $123,000 was raised for much-needed student scholarships and new technologies. The 18th annual golf outing was held at the Lakes Golf and Country Club in Westerville, Ohio, on Monday, July 9.

The funds raised from this event will help many students realize their dreams of becoming professional registered nurses. More than 85 percent of MCCN students receive financial aid.

“This is an excellent venue for our business and community leaders to enjoy a great day of golf and make a substantial difference in the lives of our nursing students at Mount...continued on page 8...
Faculty Development Workshop

Tuesday, October 9, 2012
8 a.m. – 4 p.m.
College Lounge

Conducted by Carnegie Scholar and Professor Emeritus Dr. Craig E. Nelson

RSVP to Julie Haley at jhaley@mccn.edu by September 11.

Required Criminal Background Check

Every sophomore, junior, senior and master’s program student is required to undergo an annual criminal background check. For the convenience of students, on-campus opportunities for fingerprinting are provided on the following dates.

Wednesday, September 5, 12 noon – 4 p.m. (Student Rec Room, Marian Hall lower level)

Thursday, September 6, 12 noon – 4 p.m. (Student Rec Room, Marian Hall lower level)

Monday, September 10, 12 noon – 4 p.m. (Student Rec Room, Marian Hall lower level)

Each student must present a valid Ohio driver’s license or state-issued ID in order to complete the application form. The $69 discounted fee for this service by National Background Check (NBC) will be added to the student’s MCCN account.

Those students unable to be fingerprinted on campus will be responsible for scheduling individual appointments with NBC and completing this requirement prior to September 14, 2012. The cost incurred for scheduling individually is not discounted and is due the day of fingerprinting (payable directly to NBC).

Any student who fails to complete the required criminal record check by September 14 will risk being dropped from Fall Semester classes.

Special Note to Pre-Licensure Students: You will be asked at the time of fingerprinting if you will graduate at any time from October 2012 through August 2013. If you will graduate during that time, a second set of results will be sent directly to the Ohio Board of Nursing and kept on file until your application for the NCLEX-RN exam is received by the Board. The background check is an NCLEX-RN application requirement. This procedure saves you the charge for a second set of results.

Annual Golf Invitational Generates Support for Mount Carmel College of Nursing cont’d from page 7

Carmel,” said Jan Burkey, director of development at MCCN. “We are deeply grateful to our sponsors for investing in nursing education and the future of healthcare in our community.”

This year’s presenting and title sponsors included American Electric Power (AEP), HHA Services, PNC Bank, Bailey Cavalieri, Central Ohio Newborn Medicine, Inc., Columbus Cardiology Consultants, Inc., Deloitte Center for Health Solutions and Messer Construction. A total of 39 corporate sponsors participated.

Nancy Lehr, RN, BSN, one of the student golfers representing MCCN at the outing, said she was very impressed with the generosity of the sponsors. “It was amazing to see the depth of support from the corporate community for our college,” Lehr said. “I had the privilege of meeting many of the sponsors and found them to be very engaged and interested in my experiences at Mount Carmel.”

The 19th annual Mount Carmel Foundation Golf Invitational benefitting Mount Carmel College of Nursing is tentatively set to take place July 15, 2013 at the Lakes Golf and Country Club. For more information, please contact Director of Development Jan Burkey at 614-234-3837 or jburkey@mchs.com.

Affiliated Course Schedule

Any student taking a Fall Semester humanities or social science elective at one of our affiliated institutions (Columbus State Community College or The Ohio State University) is required to submit a copy of his/her Fall Semester course schedule to the MCCN Records and Registration Office (Marian Hall, Room 2C01). The deadline for submission was Friday, August 24. Students who missed this deadline should submit their schedules immediately.

This is a requirement every semester students take classes elsewhere. Students who neglect to submit the required schedule by Friday of the first week of any MCCN semester will find that their credit hours at CSCC or OSU will not count toward calculation of total credit hour load. Delinquent students may find themselves at less than full-time hours for financial aid calculation.

IF YOU ARE TAKING AN AFFILIATED COURSE DO NOT IGNORE THE DEADLINES!

Please also note: All courses in the MCCN curriculum are now taught at MCCN. This is a change from past semesters. The only courses students take elsewhere are humanities/social science electives. Please contact the Records and Registration Office with questions.

Freshman Students at Ohio University — Lancaster

A freshman student enrolled in the MCCN-FMC program and taking classes at Ohio University-Lancaster (OU-L) was required to submit a copy of his/her OU-L course schedule to the MCCN Records and Registration Office (Marian Hall, Room 2C01) no later than Friday, August 24. Students who missed this deadline should submit their schedules immediately.

All MCCN-FMC students must submit OU-L course schedules to MCCN Records and Registration every semester they take OU-L classes.

Cheryl Mace Transitions from MCCN to Chief Mission Leader for MCW and MCE

“It is a great pleasure to announce that Cheryl Mace has accepted the position of Chief Mission Leader for both Mount Carmel East and West Hospitals,” said Sister Barbara Hahl, CSC, Senior Vice President, System Mission, Mount Carmel Health System.

Mace has an RN, a Master’s in Nursing and a Master’s in Lay Ministry. She served MCCN as an instructor for eight years and was also instrumental in Academic Support. For the last few years, Mace served as the coordinator of the MCCN-FMC satellite campus for the College at Fairfield Medical Center in Lancaster, Ohio. Mace’s office at MCE will be located in the administrative area and at MCW on the fourth floor of the Medical Staff Building (MSB). Our thanks to Cheryl Mace for her dedication to the College and best wishes in her new position.

SIGN-UP TODAY!

By signing up for our Mount Carmel Communications Alert System you can be alerted and informed in times of crisis, disaster and weather situations.

Faculty, staff, and students may self-register for the system by using an on-site MCCN computer. Launch Internet Explorer and enter URL http://mccnalert.mccn.net and simply follow the prompts. Be sure to do the self-test that is part of the self-register process to confirm that the registration has taken place.

The alert system messages are TEXT ONLY and can be sent to cell phones, pagers, personal computers or other electronic message devices. There are no limits to the number of devices that can be listed.

You must register in order to be contacted and check the box to agree to assume any charges for alert system messages. Once registered you must update any changes to listed devices, such as new phone numbers.

If you have questions about the new system, please contact Robin Hutchinson-Bell in College Relations at 234-1372 or rhutchinsonbell@mccn.edu.

Cheryl Mace Transitions from MCCN to Chief Mission Leader for MCW and MCE

“It is a great pleasure to announce that Cheryl Mace has accepted the position of Chief Mission Leader for both Mount Carmel East and West Hospitals,” said Sister Barbara Hahl, CSC, Senior Vice President, System Mission, Mount Carmel Health System.

Mace has an RN, a Master’s in Nursing and a Master’s in Lay Ministry. She served MCCN as an instructor for eight years and was also instrumental in Academic Support. For the last few years, Mace served as the coordinator of the MCCN-FMC satellite campus for the College at Fairfield Medical Center in Lancaster, Ohio. Mace’s office at MCE will be located in the administrative area and at MCW on the fourth floor of the Medical Staff Building (MSB). Our thanks to Cheryl Mace for her dedication to the College and best wishes in her new position.

SNAM News

From Lauren Dortmund, SNAM President

What is SNAM? Student Nurses Association of Mount Carmel (SNAM) is a pre-professional organization dedicated to providing students with opportunities to grow their knowledge about the nursing profession, gain leadership skills, achieve professional nursing roles, and give back to their community. It is the local chapter of the National Student Nurses Association (NSNA) and Ohio Nursing Students Association (ONSA).

Meeting Schedule:
➤ September 24 at 12 noon — ER/ Trauma Nurse Guest Speaker, location TBA
➤ October 22 at 12 noon
➤ November 26 at 12 noon
ONSA conference is Oct 26-27 at OSU (more info available at September meeting).

Why should I join SNAM?
➤ Membership $1
➤ Opportunity to participate in state and national conferences
➤ Hear from speakers who are involved in various fields of nursing
➤ Volunteer opportunities with classmates to earn community service hours toward the College requirement
➤ Grow leadership ability through opportunities to become an officer

Benefits to Joining NSNA:
➤ National Chapter
➤ Membership $35
➤ Opportunity to participate in state and national conventions for a discounted price
➤ Receive loans and apply for scholarships
➤ Secure Professional Liability Insurance
➤ Receive the association’s monthly Imprint magazine mailing
➤ Discounts on textbooks and clinical supplies

Community Service: Columbus Crop Walk October 14

CROP Hunger Walks support the overall ministry of Church World Service, especially grassroots, hunger-fighting development efforts around the world. CROP Hunger Walks help to provide food and water, as well as resources that empower people to meet their own needs.

Fundraisers:
Showing off fabulous “31” bags that are part of a new SNAM fundraiser are Mackenzie George, Breakthrough to Nursing Director; alum Jill Storer ’74, and Tina Marie Cerra, Community Health Director.

Thirty-One Bags Fundraiser: Jill Storer ’74, has graciously offered her time and great products to support SNAM. She sells all types of merchandise, most of which can be personalized. Storer also donated items for raffles to raise funds for SNAM activities (more information to follow). “31” September special: for every $31 spent, buyers can get 31% of anything in the new fall catalog. A portion of your purchases will be donated to SNAM. Please contact Jill Storer (614) 207-1977 and at www.mythirtyone.com/jilstorer, click on “My Parties” and select “SNAM.”
