FMC Celebrates Hospital Week! p. 2

You are invited
to celebrate the culmination of
Project BRIGHT
with the grand opening of
the new Surgical Tower

Tuesday, May 19 at 6 p.m.

Presidential’s Award

McGonigle Named 2015 Employee of the Year

And the winner is... Chud Cupp, Plant Engineering manager
Chad demonstrates the mission of FMC and is well deserving of this honor!

McGonigle Named 2015 Employee of the Year

When we think of an employee who embodies the values of FMC, we immediately think of
Adam McGonigle, Lab supervisor. From staying late to help out with a chaotic day to answering
the phone in the evening when we don’t have enough staff, we know Adam is dependable and
always available when we need him. This person’s consistently calm demeanour in the most
stressful situations is contagious to all of those who work with him. He is a valuable asset to
FMC and we consider ourselves lucky to work with such an understanding, hardworking and
compassionate individual.

RSVP TODAY
at 740-687-8007, as seating is limited. The event will be held rain or shine.

BE A PART OF HISTORY!
All attendees will have the opportunity to “leave their impression” on the new building!

More Hospital Week Awards on p. 2
Dr. Scoggin was nominated by a peer because he is the most personable and thorough doctor. He takes time to listen to his patients and even calls them himself with test results. He truly deserves this award for his compassion and dedication to the community. Dr. Scoggin always has a reasonable approach to not only provide excellent healthcare to his patients but also contributes time and experience to the medical community. He is always helpful even when busy in the hospital.

Leadership Teammate of the Year

Kelly Marion, Manager of Cardiovascular Business Development and Interim Manager of Psychiatric Services
Kelly was nominated by a peer because of how she demonstrates each of the five core sets of organizational values on a daily basis. She has shown agility by taking over and overseeing many departments and has dealt with many issues in those areas to make these departments better. Kelly has shown empathy by placing patients first and wanting the best for every patient, and is concerned about every last detail. She also has demonstrated teamwork by being part of many different teams and committees, and works hard to make each of them accomplish their goals.

Foundation Legendary Employee Philanthropist Award

Our 2014 Legendary Employee Philanthropist is Ron Adams. Ron is the Controller and works for the FMC Accounting Department.

When asked why he supports the FMC Foundation, he teases that he would like to see an ice cream machine in the cafeteria, but then he grows serious and talks about helping those less fortunate than himself. We are grateful for his investment in the future of Fairfield Medical Center through the Foundation.

Excellence in Service Award

Jean Williams, Housekeeping
Jean is a dedicated employee who routinely goes above and beyond to ensure patient comfort and satisfaction. She makes a significant difference in customer service. Jean never has to be asked twice to do anything and usually has things done even before she’s asked. She is meticulous and attentive to detail and is known for using a toothbrush to clean every nook and cranny to make sure everything “sparkles.”

Runners-Up for Employee of the Year

Stacy Yarger – Financial Representative, Contracts & Collections
Stacy goes above and beyond for her patients and staff members. She is known to research different foundations for cancer patients – often on her own time – and will stop what she is doing to meet with patients in the facility to assist them with their needs. Stacy is always friendly and approachable and definitely puts the patient first.

Shawn Stump – Supervisor in Housekeeping
Shawn lives the organizational values every day. He consistently puts the needs of others before his own. He is extremely hard working and exemplifies agility and teamwork. Shawn never says “no.” When asked to take on a project, he will figure out somehow, someway to get it done. He consistently makes himself available to assist any cause that is for the betterment of patient care or the sustainability of our organization. Shawn also accepts full accountability for every project and every decision, every time. He is 200 percent vested in FMC. No matter the time of day or day of the week, he is there to roll up his sleeves and dig in, never expecting anything in return. He is that quiet, behind the scenes individual who makes a contribution to this organization that is without measure.
Scholarship Applications Available

It’s that time of year again to apply for a Fairfield Medical Center Scholarship or a Fairfield Medical Center Foundation Scholarship. Go to the Human Resources Department to complete the application, and return it to the Foundation office by Friday, June 12. Award amounts vary depending on the financial performance of the endowed funds. However, the minimum amount is $250. The FMC Scholarship and/or the FMC Foundation Scholarship will be awarded to an applicant or applicants who are pursuing a degree in a field of benefit to their work at FMC. Students can apply the award to tuition, fees, books, uniforms or other approved expenses.

Learning & Development News

Ashley Spires, B.S.N., R.N.-B.C., has joined the Learning & Development Team as a full-time Clinical Education Coordinator. Ashley began her career at Fairfield Medical Center as a registered nurse on third floor in 2008 and transferred to the cardiac catheterization lab in 2011. She has remained continent during the last year while working in the cardiac catheterization lab at Nationwide Children’s Hospital.

Check out the new Foundation Gift Shop “Wishes” on May 19

You are invited to a sneak peek of the Fairfield Medical Center Foundation Gift Shop, “Wishes.” While we’re not officially open yet, we are excited to offer a sneak peek of this new shopping experience during the Project BRIGHT Grand Opening from 1-8 p.m. May 19. More communication about the shop’s grand opening will be communicated soon.

Celebrating Nurses Day at FMC

May 5 was a special day at Fairfield Medical Center. Our annual Nurse’s Day celebration consisted of more than 200 nurses who enjoyed lunch, cake, and door prizes. The speaker, Brenda Vermillion, gave an in-depth presentation on the benefit of change to the nursing profession. Departments participated in a poster contest to represent their department in supporting the theme “Under Construction: Building a BRIGHT Future.” Congratulations to the winners of the poster contest:

• First place – Dietary/Materials Management/Talent Development
• Second place – Observation Unit
• Third place - Psych/mental health services

Shook Honored for Service

Congratulations to Chad Shook, radiologic technologist, (pictured right), who was selected as the Central Ohio Technical College, Technologist of the Year. Chad was honored at their pinning ceremony on May 7. Chad is one of many Technologists who receive this award every year from COTC. Congratulations Chad and keep up the great work with our students!

Kings Island Tickets Available for Purchase
Tickets for Kings Island can be purchased in Human Resources. A ticket order form, FAQ sheet, and Marriott reservation form can be obtained from the Intranet (employee activities tab) or from HR. As an employee, physician or volunteer, YOUR ticket is only $34.09 or $27.09 for seniors for the first 150 staff members. Other ticket price information is available on the Intranet. Tickets include the night before free after 5 p.m., admission on Aug. 1, and a buffet style lunch. Discounts are available for parking, refillable souvenir drink cups, dinosaurs alive, and fast lane passes. The deadline to purchase tickets is July 16. Rooms at the Marriott must be booked by July 3. We have a limited number of rooms and several reservations have already been made, so book your room early. Please note that good-any-day tickets for those working on Aug. 1 this year will not be available due to the low number of good-any-day tickets sold the past two years. If you work that day, Kings Island consignment discount tickets are available for other days through Human Resources. For questions, email Bob at robertw@fmchealth.org.

Project BRIGHT Grand Opening Video
To ensure that our patients have an opportunity to watch the grand opening ceremony for the new Surgical Tower, the ceremony will air live at 6 p.m. Tuesday, May 19 on Channel 18. Patients will receive a reminder card on their lunch tray that day. In addition, we encourage all staff to attend this ceremony, if able, and to bring their family and friends. Please RSVP to 740-687-8007 today if you plan to attend.

Oxygen for the Soul
Certain things catch your eye, but pursue only those that capture the heart.
– Ancient Indian Proverb

Meaningful moments – Prayer time: 11:45 a.m.-12:15 p.m. Monday–Friday in the Chapel. Self-directed or with one of the chaplains. (The Chaplains’ Oxygen for the Soul is not intended to be an endorsement of any particular religion, but rather serve as an avenue for our FMC chaplains to provide weekly inspiration).

Do Your Part!
Do you LOVE fresh produce, but don’t have time for a garden? A Community Supported Agriculture (CSA) program may be the answer you are looking for. A CSA program is a partnership between the farmer and the community. This is a great way to bring a variety of fresh, high-quality produce into your home all summer long! Families and individuals who join a CSA will receive “shares” of produce each week during the growing season. Typically running mid-May to early October, CSA members can experience 75-100 types of greens, vegetables, melons, squash and herbs. Shares can be purchased in various sizes depending on your needs. FMC is excited to partner with two Fairfield County CSA programs. Schultz Valley Farms and Paige’s Produce will be offering a weekly drop-off at FMC and payroll deduct is available. For more information about our local CSA programs, contact Health and Wellness at ext. 6831.
