Hello MCCN!!

Here is a huge THANK YOU to all of the wonderful staff/professors at Mount Carmel College of Nursing!!! The magnitude of the situation we are all facing cannot be denied, however, our amazing college has went above and beyond to adapt. This is where the strength of nursing resides. In adaptability, resilience, and camaraderie. I was always proud to be an MCCN student...this situation just solidifies that for me. I have always been proud to have the professors that I do...now I have an even deeper reverence for them. Thank you for making the transitions smooth and allowing us to progress. Going into SENIOR year, I know that my classmates and I are in the best of hands. Stay safe and God bless.

Right now, it is because of YOU.
