### Writing Lab

The Online Writing Lab (OWL) at Mount Carmel College of Nursing (MCCN) is a collection of resources for scholarly, student writers who seek additional instruction while they build their academic portfolio.

The mission of the MCCN OWL is to empower students to develop as adept communicators and scholarly writers through online coaching, available resources, and constant encouragement. The MCCN OWL serves the students of the MCCN traditional BSN program, the online RN to BSN program, SDAP, and all graduate programs through online instructional materials and tutoring.

To navigate through the MCCN OWL, click on **Modules** in the left navigation. You will see a list of topics from which you can select the one most useful to your current need.

## 8. You will see the tile for the OWL in your Dashboard when you log in to Canvas.
